<p>Gaeilge Bua na Cainte pg. 113 - Learn to say and spell number 1 + 2 and learn their meaning in English – Write them in your copy Feicim means I see <u>Example</u> Feicim an cat = I see the cat Feicim an cat + Feicim an bád</p>	<p>Gaeilge Bua na Cainte pg. 113 - Learn to say and spell number 3 + 4 and learn their meaning in English – Write them in your copy</p> <p>Feicim an mála. Feicim an capall.</p>	<p>Gaeilge Bua na Cainte pg. 113 - Learn to say and spell number 5 + 6 and learn their meaning in English – Write them in your copy</p> <p>Feicim an madra. Feicim an cáca.</p>	<p>Gaeilge Bua na Cainte pg. 113 - Learn to say and spell number 7 + 8 and learn their meaning in English – Write them in your copy</p> <p>Feicim an clár bán. Feicim an bata.</p>									

<p>SPHE / PE</p> <p>Staying fit and healthy is especially important these days. Try to get some exercise every day.</p> <p>Try the HIIT workout below (same as last week), get out for a walk with family, do some skipping or maybe try some yoga. Find some form of exercise you enjoy!</p> <p>What a Wonderful World: complete the crossword on page 67</p>	<p>Project – The Zoo</p> <p>This week I recommend that you have a look at the Dublin Zoo website https://www.dublinozoo.ie/news/dublinozoofun/</p> <p>Here are some activities you could try</p> <ul style="list-style-type: none"> • Check out the webcams to see what the elephants, penguins, zebras and giraffes are doing right now. I had a look, it is really cool! • Take a virtual tour of the zoo to see lots of different animals. • Check out the nature activity videos. You can learn about birdwatching and see what birds visit your garden. Another nature activity video shows you how to be a nature detective in your own area. • Do a project about your favourite zoo animal. You could include pictures and written information. Here are some headings you could use - habitat, diet, appearance, lifespan (how long it lives for), interesting facts, dangers it faces in the wild. 	<p>Art Ideas</p> <p>Continue with your sketch a day project.</p> <p>Make a water feeder for bees https://www.dublinozoo.ie/nature-activity-videos-2/ You could draw, colour or paint flowers on paper or gather some from the garden (ask for permission first!)</p> <p>Music</p> <p>Check out the school website homepage for the Music Generation Newsletter!</p>

Homework Books

Book	Work to be completed
Spellbound	Unit 26
Tables Champion	Week 27
Mental Maths	Week 29
Tables	Learn 12 + tables

Hi girls,

This is your suggested work for the week. Monday is a Bank Holiday, so I have just spilt the work into 4 days instead. Remember that you don't have to complete all of this work. I will be happy if you are doing some reading everyday and concentrating on neat handwriting and presenting work neatly. Try to get some exercise everyday too. Remember you can contact me by email if you have any questions or if you would like to show me your work. My email is msrwalpole@gmail.com

Art - A Sketch A Day

If you have a copybook or sketchpad, this would be useful but you don't really need anything except paper and a pencil. Your job is to create one sketch a day for the duration of the project. The only catch is you must pick a theme. Choose from:

- Healthy Foods
- Happy Things
- Things that need batteries
 - Famous People
- Objects that are usually red

Challenge: Try to stick to one theme for at least 2 weeks

Mental Maths activities

Revise counting forwards to 100 and backwards from 20 regularly. Use different starting points. Clap/stamp/click while you count to keep a steady beat.

Skip count in 2s/5s/10s. Ask simple mental maths questions: What is 10 more/less than 34? What is 20 more/less than 72?

Give your child a target number e.g. 18. Ask them to write down as many ways as possible to get to the number 18 e.g. $9 + 9$, $20 - 2$, $17 + 1$. Give a different number each day. You could use a timer and see how many ways they can make the number in that time. Encourage your child to beat the record from the previous day!

HIIT Homework - Stick on your favourite upbeat music and try out these exercises one after the other. To give yourself a bigger challenge, do each circuit twice or three times or more!

Session 1 (repeat 5 times)	Session 2	Session 3
25 jumping jacks 25 squats 25 seconds run on the spot 25 push ups 25 seconds plank	30 seconds run on the spot 30 seconds high knees 30 seconds jumping jacks 30 seconds bum kicks 30 seconds jog on the spot	30 seconds jumping jacks 30 seconds mountain climbers 30 seconds run on the spot 30 seconds plank 30 seconds burpees!
